

Quick summary

Student Feedback Responses

100
Count of Student Feedba...

Count of Student Feedback Responses by What is the biggest difficulty you face while learning ML?

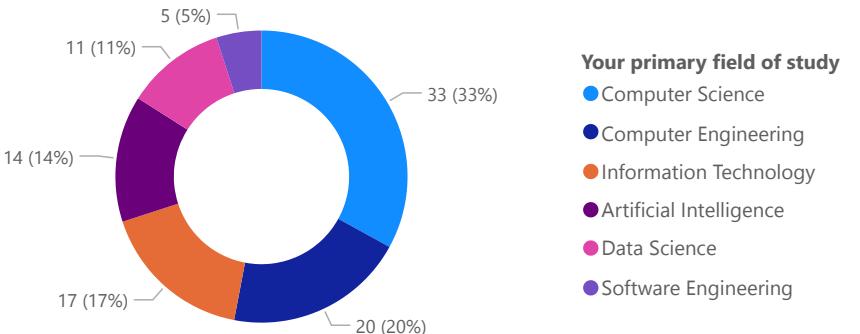

At 19, Debugging ML code had the highest Count of Student Feedback Responses and was 137.50% higher than Understanding mathematical concepts, which had the lowest Count of Student Feedback Responses at 8.

Debugging ML code accounted for 19.00% of Count of Student Feedback Responses.

Across all 8 What is the biggest difficulty you face while learning ML?, Count of Student Feedback

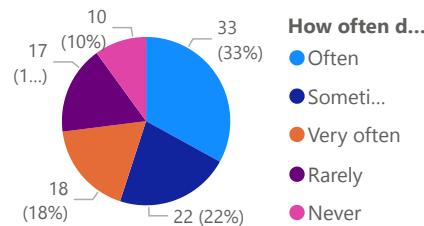

Count of Student Feedback Responses by Your primary field of study

Your primary field of study

- Computer Science
- Computer Engineering
- Information Technology
- Artificial Intelligence
- Data Science
- Software Engineering

Count of Student Feedback Responses by How often do you feel lost about the ML workflow?

How often do you feel lost about the ML workflow?

- Often
- Someti...
- Very often
- Rarely
- Never
